Required Summer Work for students entering French 2 and up:

1. Please sign up for REMIND (if you haven't already done so). Text @mmetayl to the number 81010. Once you have done this, you will have the ability to ask me questions through Remind. (There is a Remind app that most students find helpful that you can download if you want.)
2. Create an account at Duolingo and join my class (if you haven't already done so).
 - o Go to the following link: <https://www.duolingo.com/o/jdobjv> and create an account. **Your name must include your actual first and last name. Write down your login information.**
3. You should already have a Quizlet account. Login and join the class you will be in this coming year.
 - o **Your name must include your actual first and last name. Write down your login information.**
 - o After you have created an account, search for "scpa_fl" and find your class for this year (français 2 SCPA or français 3+ SCPA). Click "request to join" to get in to the class.

Recommended Summer Input:

As you know from your first year(s) in French, getting input (by reading and listening) is essential to your progress toward French proficiency. I suggest that you **spend approximately one hour a week staying connected to French throughout the summer break**. Here are some ideas:

1. Use Quizlet to review vocabulary. You can use the sets that are already in the folder for your level and/or you can create new quizlets after looking up vocabulary that is of interest to you.
2. Continue doing Duolingo if you enjoy doing so and feel that it works for you.
3. Start using any streaming service you can access to watch French films, French series (I like Lupin on Netflix), and American films that you are familiar with. Be sure to have the audio set to French and use English subtitles (if/when you need them). If you will be in level 3 or 4, try watching something with the audio AND the subtitles both set to French. If your family does not subscribe to any streaming services, check out Kanopy. It is a free streaming service if you have a Hamilton County Library card.
4. Be on the lookout for new (or old) francophone songs and artists that you enjoy. When you find something you like, take it a step further: look up and read the French lyrics, find a biography of the artist(s) in French, create a playlist of music that you like, etc.
5. Follow my class instagram! ☺ mme_taylor_0040

If you want to share with me the work you do this summer, please log what you are doing in a [google doc](#) and do so (use my school email for this).

I look forward to working with you in the 2023-2024 school year! If you have any questions, feel free to send a text through Remind or to email me at taylorh@cps-k12.org.
