### Artist Research

Pick an Artist

Select one of the artists from the list below that works in a way that inspires you.. Research their work, their times, and their context.

**a. Sketchbook**

Use your sketchbook as a means of documenting and also reflecting: take down the artist's information, any stylistic/artistic information, and sketch out any inspiring ideas.

Write a Paper

Type a 200 word paper about your artist- make sure that this is in your own words and ensure that you are thinking of the whole artist- time period, current events, artists of that same era, biographical information. Include at the end of the document an image of their work and at least 3 page pages of notes/sketching.

## Create Artwork

Create a 2D or 3D work of art that is inspired by your research. These must be exhibition quality works and you must have a sketchbook of images, notes, and reflections to support it.
