

## **Algebra 2 Lessons for Week of March 16-March 20**

**Monday:** Read Lesson 37 Imaginary and Complex Numbers.

**Tuesday:** Do "Tuesday, March 17, 2020 Adding and Subtracting Complex Numbers." Send me a picture of your work to [hamilmo@cpsboe.k12.oh.us](mailto:hamilmo@cpsboe.k12.oh.us) by the end of the day.

**Wednesday:** Check your answers to yesterday's assignment. Do "Wednesday, March 18, 2020 Multiplying Complex Numbers." Send me a picture of your work to [hamilmo@cpsboe.k12.oh.us](mailto:hamilmo@cpsboe.k12.oh.us) by the end of the day.

**Thursday:** Check your answers to yesterday's assignment. Do "Thursday, March 19, 2020 Simplifying Imaginary Numbers." Send me a picture of your work to [hamilmo@cpsboe.k12.oh.us](mailto:hamilmo@cpsboe.k12.oh.us) by the end of the day.

**Friday:** Check your answers to yesterday's assignment. Do "Friday, March 20, 2020 Review of Complex Numbers." Send me a picture of your work to [hamilmo@cpsboe.k12.oh.us](mailto:hamilmo@cpsboe.k12.oh.us) by the end of the day. Check your answer tomorrow.

I will post answers and work each day for the previous day's assignment. E-mail me if you have any questions.

Thanks,

Ms. Hamilton
