

Probability and Statistics Lessons for Week of March 16-March 20

Monday and Tuesday: Do "Exercises Lesson 4.8" #1-15 odd. Send me a picture of your work to hamilmo@cpsboe.k12.oh.us by the end of the day.

Wednesday: Check your answers to yesterday's assignment. Do "Exercises Lesson 4.8" #2-16 even. Send me a picture of your work to hamilmo@cpsboe.k12.oh.us by the end of the day.

Thursday: Check your answers to yesterday's assignment. Do P. 174 #19-37 odd. You can find a permutation calculator or combination calculator at calculatorsoup.com. Send me a picture of your work to hamilmo@cpsboe.k12.oh.us by the end of the day.

Friday: Check your answers to yesterday's assignment. Do P. 174 #20-38 even. Send me a picture of your work to hamilmo@cpsboe.k12.oh.us by the end of the day. Check your answer tomorrow.

I will post answers and work each day for the previous day's assignment. E-mail me if you have any questions.

Thanks,

Ms. Hamilton
