

# Ms. Hart's student art supply requirements: 2020-21

## FUNDS 2

\***Portfolio**- 26x20 is the recommended size (not fancy or huge—a red or black paper portfolio is perfect)

\***Art Box** (SOME two tray Art Bins fit our class lockers- please check before marking up the artbox! You can use a tackle box, sewing supply box, etc. The size should be roughly **7.5 x 7 x 12.75**. Anything larger **cannot** be accommodated in our small lockers)

\***Sketchbook** (8.5 x 11")—spiral bound books fall apart easily. Recommendation: **hardback**. Michael's has had these for \$5 recently.

\***Drawing pencils** HB, B, H, 2H, 4H, white, etc., white plastic eraser, small manual pencil sharpener

\***Color pencils** (Prisma brand is the recommendation)

\***masking tape**—any size

*Other items might be needed as the year progresses but these will be the main items.*

**Remember...items can be reused from year to year (like artbox, scissors, pencils, etc.)**

### **Suggested Supply Stores:**

Plaza Art: Clifton (861-0667) and Kenwood (793-5300) locations

Plazaart.com Plaza often has really good coupon deals on Groupon and other coupon sites.

Michael's has good sales and Amazon is generally well-priced.

**\*\*\*PLEASE do not permanently mark supplies with student name until you know that they are the correct supplies--I would suggest using masking tape to put names on items (especially portfolio and supply box) until you are certain about the supplies.**

**Please try to have supplies by the end of the second week of school.**
