

CPS Learning Packets Distribution Options

The following options are to provide Learning Packets to students that did not receive them last Friday. Three options are available to maximize social distancing.

Option 1: Staples will make copies of Learning Packets for parents/students at any Cincinnati area Staples location. Staples already have the file. This option is available immediately.

Option 2: Learning Packets will be available during meal pick up locations at specific schools. This option is available on Friday from 11am-1pm.
