

Dear Students,

I hope that you and your family are staying safe during this time. I wanted to take a moment reiterate the home learning plans in which we discussed in class on Friday. For those that were present, packets were handed to you on Friday, March 14th. This work will be due on upon return on April 6th. If you were not present, or would prefer to access a digital version of these documents, please visit Schoology where the documents are now available in your class folders.

- 1) **Math 7AA:** You are expected to complete about a total of 3-4 pages of instruction/worksheets per day. That's the recommended pace to keep on schedule.
- 2) **Algebra 1:** You are expected to complete about a total of 2-3 pages of instruction/worksheets. That's the recommended pace to keep on schedule.

If everyone would please email @ojovict@cpsboe.k12.oh.us their contact information (or parent's information), as I would like to begin scheduling phone/conference "check-ins" to answer and questions you have about the material, and to see how you and your families are managing.

Thank you for your patience and adaptation during this time,

Be well, and be safe,

Mrs. Ojo
