Each student will be required to turn in a boards quality piece for each week out of school or GMetrix testing.

Week 1

- **Students who have NOT earned Adobe Certification in Photoshop**, follow the directions below. One test per school day. Scores and dates are recorded in the app and I will check and give credit the first day back to school. Packets available .
 - If GMetrix doesn't work complete the drawing below.
- **Students that HAVE earned Adobe Certification in Photoshop**, complete a **realistic still life** from observation larger than 8.5" x 11". Stage 3-5 objects (shoes, bottles, vases, fruit, vegetables, flowers, plants, shells, feathers, bones, fabric, and so on). A triangular composition is a great staging method. Employ line, shape, value, space, and texture, color is optional. Medium suggestions; graphite or color pencil. This will be collected on the first day back to school. Work must be *boards* worthy.
 - If you have another boards pieces in mind, email me for approval.

Week 2

- Springbreak

Week 3

- Complete a **perspective drawing** from observation larger than 8.5" x 11". Utilize one, two, or three point perspective. Employ line, shape, value, space, and texture, color is optional. Medium suggestions; graphite or color pencil. This will be collected on the first day back to school. Work must be *boards* worthy.
 - If you have another boards pieces in mind, email me for approval.
 - Students that are not Adobe certified can create a still life as directed above.

Week 4 just in case
