

Wind Ensemble Remote Learning Homework

Daily Practice

- * Practice 60 minutes each day to keep your chops up for performances when we return
- * As you practice, be sure to record yourself and listen with a critical ear

Warm Up

- Play Long Tones Exercises every day

M.M. = 60

Use your tuner to be sure you are centering your pitch

Scale Studies

- Practice a set of exercises from the Scale Packet each day – pick a different key each day to practice

Use your metronome to ensure a steady pulse

Musicianship

- Practice your Chorale Packet - Be sure to play with a legato style

Use your tuner to be sure you are centering your pitch

- Review Beautiful Dreamer and Lonesome Cowboy to continue to practice dynamic control

Use your tuner to be sure you are centering your pitch

- Practice Canonic Variations for a Playing Test/Percussion Quiz when we return

- Work on a solo or small ensemble piece for the concert scheduled for April 28th

The concert is scheduled 3 weeks after we return from the Governor's Spring Break
