Summer Work for students entering French 1:

1. Your first assignment is to sign up for REMIND. This will allow you to send and receive communication. Text **@mmetay** to the number 81010. Once you have done this, you will also have the ability to ask me questions through Remind. (There is a Remind app that most students find helpful that you can download if you want.)
2. Create an account at Duolingo.com and join my class. (Do NOT login with Google or Facebook.)
 - o Go to the following link: <https://www.duolingo.com/o/bxfjbh> and create an account. **Your name must include your actual first and last name so I know who to give credit for your work. Write down your login information.**
 - o Test it out by practicing and unlocking skills. **I suggest starting with the following lessons: basics 1, greetings, and basics 2.**
3. Create an account at Quizlet.com and join my class. (Do NOT login with Google or Facebook.)
 - o **Your name must include your actual first and last name. Write down your login information.**
 - o After you have created an account, search for "scpa_fl" and find your class for this year (français 1 SCPA). Click "request to join" to get in to the class.
 - o **You are welcome to practice using activities for any of the sets you find in the folder.**

At the start of the school year, you will have a chance to tell me about any Duolingo or Quizlet that you complete over the summer. I look forward to working with you in the 2024-2025 school year! If you have any questions, feel free to send a text through Remind or to email me at taylorh@cps-k12.org.
