Photo Permission Form

Dear Parent or Guardian,

During the upcoming school year, our school and district may want to document the activities happening in our school by taking pictures and videos that may feature your child. These photos and videos may be used on our district and school websites, and on social media accounts (including Facebook, Twitter and Instagram), and may also be featured by local news media.

Please let us know if it is okay to showcase your child in **positive news and social media coverage**.

Please fill out the bottom of this letter by checking the appropriate box, signing your name and dating the form. Then return this form to the school's office as soon as possible. If you have questions concerning this request, please contact me.

Sincerely,

Michael D. Owens
