

Greetings SCPA Families,

I hope you had a great week and look forward to the weekend. We've completed our first full week of school. Please read the following information in support of preparing for next week and some updates on policy changes.

Nurse Support and Changes

SCPA is happy to have **Nurse Victoria Taylor** supporting our students' health needs. **Changes:** There has been an update to our over the counter procedures. In years prior parents/guardians were able to sign an over the counter form and the school nurse would be able to administer from their stock medications. However, **CPS has changed their medication form stating that parents/guardians and doctors must sign off on the medication forms. Parents now will have to provide the medications in the original labeled container with the protective seal intact.** The only students the nurse can give OTC medications to from the health department stock are students who have had dental work done from one of CPS' school based health centers. If you have any questions, feel free to reach out to Nurse Taylor at 513-363-8021, or Taylorv@cpsboe.k12.oh.us.

Engage Next Week with Teachers: Open House

Tuesday, August 27, 2024, SCPA will host a Grads 4-12 Open House from 6:14 p.m. - 8:02 p.m. (Gr. 7-12); 6:28 p.m. -8:16 p.m. (Gr. 4-6) . You will have an opportunity to visit your student's teacher by following their schedule in a 10 minute rotation. This is the time to hear about classroom expectations, procedures and what learning will occur during the course of the semester. Conferencing with your child's teachers is not the purpose of this engagement event. See the bell schedule attached. Prepare yourself ahead of time by writing your student's schedule down, or accessing your child's schedule via Focus during your visit.

Come visit with your child's academic and K-3 Arts Teachers to learn about classroom expectations, procedures, grade level curriculum etc..
