REQUIREMENTS FOR HONORS DIPLOMA	
English	The English Requirement is fulfilled by the SCPA Requirements
Math	The Math Requirement is fulfilled by the SCPA Requirements
Science	4 Units are required. For Music Majors (earning Academic Diploma with Honors), one of the two elective science classes <u>must</u> be Physics. For all other Majors (earning Career-Technical Diploma with Honors), the two elective classes can be chosen from the list of SCPA Science electives.
Social Studies	4 Units are required. The fourth class can be chosen from the list of SCPA Social Studies electives.
Foreign Language	For Music Majors (earning Academic Diploma with Honors), <u>3 Units</u> of the <u>same</u> language or <u>2 Units EACH</u> of two languages are required. For all other Majors (earning Career-Technical Diploma with Honors), they are required to fulfill the SCPA requirement in regards to Foreign Language.
Fine Arts	The Fine Arts Requirement is fulfilled by the SCPA Requirements.
Electives	The Electives Requirement for Career Technical Majors (all Majors other than Music) is fulfilled by the SCPA Requirements.
Grade Point Average	Minimum of 3.5 on a 4.0 scale
ACT / SAT Score (*excluding score from the Writing Section)	Minimum ACT Score of 27 Minimum SAT Score of 1210*
Additional Assessment	Career Technical Majors (all Majors other than Music) must achieve the Proficiency Benchmark established for the appropriate Ohio Career-Technical Competency Assessment

Beginning with the Class of 2018, Graduates must meet the following criteria in addition to credit hour requirements listed in the table above:

- All students take END-OF-Course exams in the following courses:
  - Algebra I or Integrated Math I
  - Geometry or Integrated Math II
  - Physical Science (Class of 2018)
  - Biology (Class of 2019)
  - American History
  - American Government
  - English 9 or English I
  - English 10 or English II

The Ohio Board of Education may decide to include Algebra II end-of-course examination in place of the Algebra I end-of-course exam beginning for students entering ninth grade on or after July 1, 2016.

Students studying Advanced Placement (AP), International Baccalaureate (IB) or taking College Credit Plus courses in Physical Science, American History or American Government may take assessments aligned to those courses in lieu of end-of-course exams to avoid double testing.

**AND MEET ONE OF THE FOLLOWING THREE:**

1. Earn a cumulative passing score of 18 from the seven end-of-course exams. Each exam may yield up to 5 points. Students must earn at least 4 points in Math, 4 points in English and 6 points in Science and Social Studies.
2. Earn a “remediation-free” score on a nationally recognized admission exam such as ACT or SAT. The State of Ohio will pay for all 11<sup>th</sup> grade students in the Class of 2018 and beyond to take the exam free of charge.
3. Earn an Ohio Board of Education-approved, industry-recognized credential or a state-issued license for practice in a career, and achieve a score that demonstrates work-force readiness and employability on a job-skills assessment.

**Test Retakes**

Any student, who earns a score of 1 or 2 on any state end-of-course examination, can retake that examination during the future administration of the end-of-course examination. Any student, who earns a score of 3 or higher on any state end-of-course examination, can retake that examination if they have completed all seven end-of-course examinations and have not achieved the necessary points to earn a diploma.
